EXECUTIVE SUMMARY

The **CEMEX SITE IN CAMP VERDE** is a sand and gravel quarry that is no longer in operation. The property is well located off Old Highway 279 and State Route 260 approximately five miles from Interstate 17 and just west of the Verde River. The property is well suited for residential, commercial, and/or industrial development. With its history as a former sand and gravel quarry, the site presents a favorable foundation for redevelopment, while Camp Verde's continued growth and strategic location in Northern Arizona position the property for strong long-term value and demand. A 2.8-acre portion of the site is subject to a lease agreement with Vulcan Asphalt.
